ROOTED IN TRADITION™ | ENGINEERED HARDWOOD

Embrace the Charm of Character-Rich Authentic Hardwood

With a gently wire-brushed surface, Rooted in Tradition brings together texture, craft and color. The result is a collection of hardwood planks that embody the character-rich look of reclaimed hardwood. Plus, our proprietary finish not only prevents scratches and stains, but features our Cleantivity® antimicrobial technology which inhibits the growth of bacteria.

- Trending 6-1/2" wide width is a welcome addition to any home
- Sliced-faced Oak hardwood planks are available in a range of popular colors
- Delicate wire-brushing creates a rustic, textured surface filled with character and charm
- Durable engineered hardwood planks are topped with scratch and stain resistant matte, low gloss finish
